ANTIQUE TRUCK & TRACTOR Show

+ ANTIQUE AEROPLANE AIRSHOW *weather permitting, we fly early*

JULY 22, 23

OHTM is transformed into the center of the universe for antique truck, tractor and commercial vehicle enthusiasts during one of our most popular events of the summer. Antique ground vehicles, including a bevy of pre-1920 trucks from the Museum's collection, are demonstrated during this event. The featured marque is Mack; Mack trucks of all vintages get in free. A fabulous antique aeroplane show generates plenty of additional excitement! Assorted kids activities and Model T rides ensure that there is plenty of fun for the whole family at this event.

SHOW HOURS 9-3

OWLS HEAD
TRANSPORTATION MUSEUM
